Dear Dr. Krause:

I would like to invite you to participate in an interagency conference on the subject of "Europe in the Eighties" to be held at the Department of State on Thursday and Friday, April 5 and 6, 1984. As you can see from the tentative outline attached, the first session will address the question of Europe's economic options and the problems and prospects of EC enlargement. I hope Ambassador Schaetzel will be with us and I would be pleased if you could join the panel as well.

My associate, will contact you in the next few days to see if your calendar will allow you to join us in April. If so, the Department of State will advise you of administrative arrangements.

Sincerely,

Milton Kovner

Dear Professor Wahl:

I was delighted to learn that you will be able to join us for the April 5-6 conference at the State Department on Europe in the 1980s, and that you have agreed to address the issue of Mitterrand at Mid-term and Beyond. Your remarks should be about 15-20 minutes.

This brief note is merely to confirm your conversation with my associate [redacted] that the panel dealing with your topic will be held on the morning of April 6th. A tentative agenda is enclosed, and we will keep you advised of any changes in the program. The Department of State will advise you of administrative arrangements as we get closer to April.
